## ISO 14001:2015 Internal Auditor Training

Class Hours: 9 AM-5 PM

Date:  
March 26 and 27, 2018

**This 16-hour course** is designed to give you an understanding of the changes from ISO 14001:2008 to ISO 14001:2015 and how to audit against the new standard.

**We will review** the tools necessary to conduct process-based internal audits using the ISO 14001:2015 Standard as the basis for the audits. This workshop focuses on auditing techniques to perform effective internal audits to the new standard that will help ensure your internal audits are productive.

**All participants will** gain hands-on experience on how to conduct process-based audits through sample audits or actual process-based audits conducted on your company's quality manual.

The class is taught by a trained and experienced professional.

**Rhodes State College is a tobacco free campus.**
