ISO 9001:2015

Internal Auditor Training

#L4623B
March 28-29, 2017
8:30 a.m. to 4:30 p.m. both days

This 16-hour course is designed to give you an understanding of the changes from ISO 9001:2008 to ISO 9001:2015.

We will review the tools necessary to conduct process-based internal audits using the ISO 9001:2015 Standard as the basis for the audits. This workshop focuses on auditing techniques to perform effective internal audits to the new standard that will help ensure your internal audits are productive.

All participants will gain hands-on experience on how to conduct process-based audits through sample audits or actual process-based audits conducted on your company's quality manual.

Beth Burnett will lead the course facilitation.

Topics Covered

- Changes associated with the ISO 9001:2008 to ISO 9001:2015
- Significance of changes in the standards
- Best practices for auditors
- Understanding interactions
- Auditing approaches
- Preparing a process-based audit plan
- Following audit trails
- Understanding the differences between a non-conformance and an observation
- Auditor responsibilities and code of conduct
- Follow-up and verification
